

Serial No. 07/349,669

Add the following claim:

8. The method of Claim 7 wherein said mammal is a bovine.

REMARKS

Claims 2-8 are now in the case.

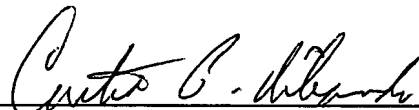

Claim 1 has been cancelled.

No claim has been allowed.

This amendment corrects the dependency of Claims 2-7 as necessitated by the previous amendment which replaced original Claim 1 with new Claim 7. Claim 8 has been added to provide specific coverage for the claimed method as applied to bovine sperm. Support for this claim is found on page 1, lines 8 and 13, and on page 2, line 19.

Entry of this amendment is respectfully requested.

Respectfully submitted,

Curtis P. Ribando, Agent of Record
